

HANNAH MEADOWS

RESOURCES AND SELF-CARE
FOR ADOPTIVE PARENTS

ABOUT

I'm an adoptive parent from the south of England. My blog hannahmeadows.com is about adoptive parenting and the extra challenges this presents. I share resources to help others navigate some of the challenges, and encourage adoptive parents to look after themselves through good self-care practices. I host a linky for parents affected by child-on-parent violence (CPV) and am active on social media, especially Twitter. Aside from my blog I work in publishing as a freelance writer and copy-editor.
